# King's College Alicante Summer Camp Day Camp

**FECHAS:** 1<sup>st</sup> of July–26<sup>th</sup> July

3–16 years of age

## Experience King's: Much more than a summer camp!

At King's summer camps, children are fully immersed in the English language under the guidance of our native English-speaking teachers, whose passion for English, both inside and outside the classroom, is such that students not only lose their fear of speaking English, but also fall in love with the language.

### Learn English while doing something you love

We have designed a unique and exciting programme that combines learning English with practising sports and interesting workshops. Our camp represents the perfect opportunity for improving your English while engaging in a wide range of sports and leisure activities. Can you imagine studying English and doing something you love at the same time? Sports, artistic and recreational activities are fundamental to our programme which goes beyond language learning to foster the student's personal and social growth through the development of skills such as self-discipline and teamwork.

### The School

The King's College School of Alicante is the perfect enclave for our camp programmes. Our excellent reputation is your guarantee that your child will learn the English language.

Our facilities are at the technological and educational forefront. We offer state-of-the-art science and computer labs, music rooms and an auditorium for events, as well as an extensive infrastructure for sports.

## THE PROGRAMME: Make the most of your experience

The camp is designed to achieve a perfect balance between recreation and educational rigour so that our students can make the most of their course in English. Students are grouped according to age and English level from the start in order to ensure that they will make the most of their time here and enjoy both their classes and activities.

<b>15:00</b> <b>Option 2</b>	<b>Full Day Course Departure</b> <b>Option 2</b>

We offer two options:

**Option 1:** Camp hours are from 9:00 AM to 1:00 PM. The first option consists of **20 sessions of English per week**, with 4 sessions taught each day; these include activities for the development and improvement of reading, oral skills, writing and conversation, as well as sports and workshops activities that are carried out entirely in English.

**Option 2:** Camp hours are from 9:00 AM to 3:00 PM. The second option consists of **25 sessions of English per week**. In addition to the 4 morning sessions of English and other educational activities, the programme includes a 5th session in which the student's acquired language skills are further reinforced. He or she will attend a project class in which students participate as a team in the development of a newspaper, a model, etc. Additional activities include sports, workshops, games, etc. that are organised during free time.

## ENGLISH CLASSES

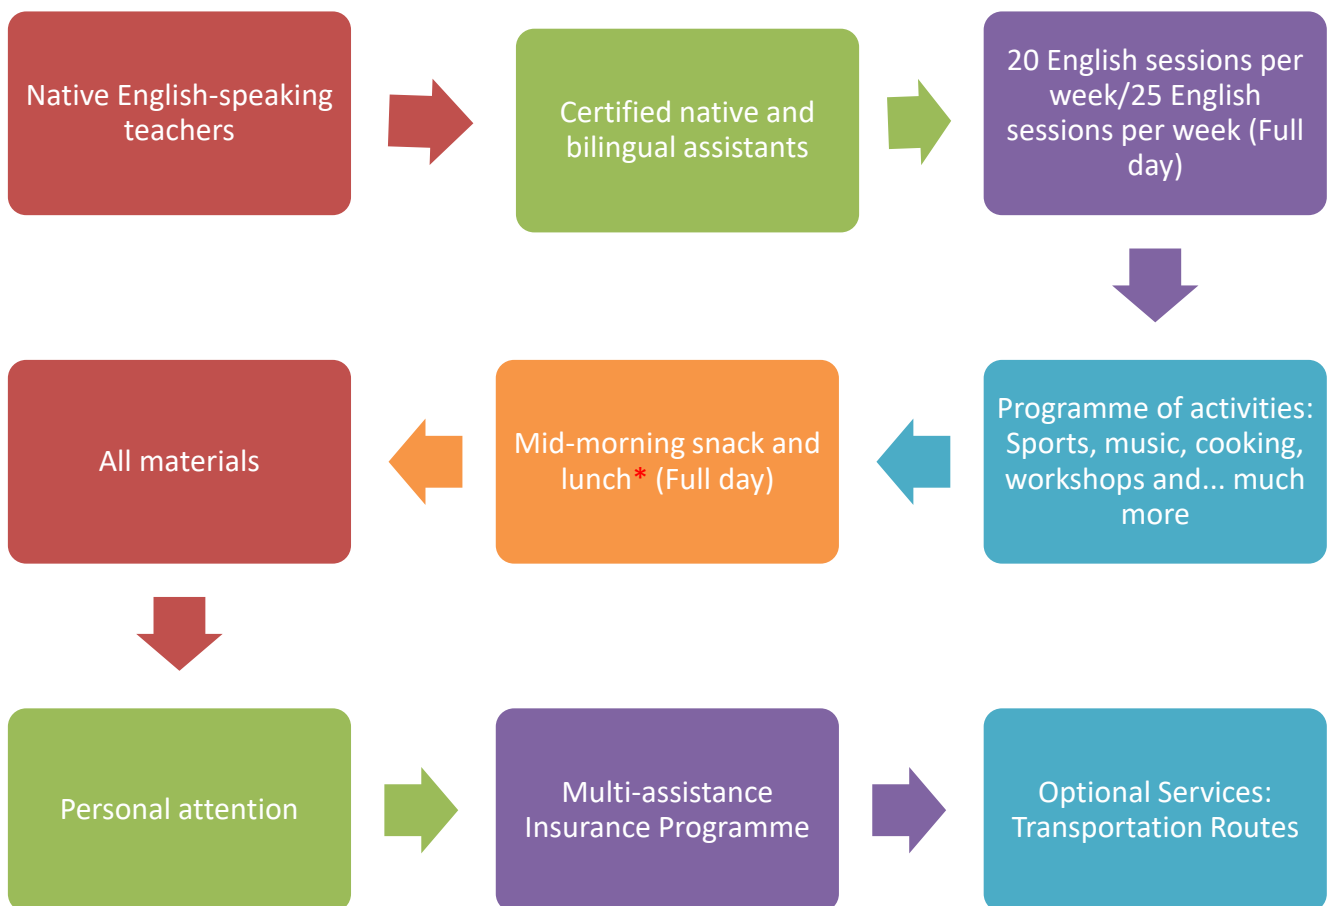

English is taught daily throughout camp. We pay special attention to the students' perfection and mastery of the four language skills (listening, writing, reading and speaking), while working creatively through games, songs, crafts and other projects that imply the use of new technologies inside and outside the classroom.

Our faculty is made up of native English-speaking teachers who are in charge of making the classes dynamic, entertaining and pleasant so that learning will take place more naturally. King's method is based primarily on oral communication, although grammar, reading and writing are also fundamental to our programme.

Classes take place from Monday to Friday and are taught in small groups organised according to age and English level based on an online test that students must complete before arrival to camp.

Once the camp session has come to an end, parents will receive a personalised report regarding the progress that their children have made throughout the programme.

## CAMP INCLUDES:

**\*MENU for the Full Day Session:** Each day we serve a meal prepared by our kitchen staff. Menus are prepared to ensure a balanced and nutritious diet. A copy of the menu is sent to parents at the beginning of camp. Students will also be able to enjoy a mid-morning snack. We ask that parents inform us of any allergies their children may have may have at registration or on the first day of camp.
